Our Roots Run Deep

A Friends of New Pathways Celebration

This year, we are excited to host a reimagined fall event. This year's theme is Our Roots Run Deep. At the event, we will be honoring the individuals and organizations who helped lay the foundation by supporting our recent capital campaign as well as celebrating the future growth that their support has allowed to blossom.

Our goal is to raise \$100,000 in support of our mission and to bring together our community in support of our goals to expand and serve an additional 125 youth this year.
