Transforming Lives for Generations to Come

A message from the CEO

Dear Prospective Sponsors,

If you have been to a New Pathways for Youth event, you know we love to celebrate the youth we serve and our community of supporters. From our Stories of Transformation Breakfast to our Champions of Transformation Reception, we highlight the success of our youth and mentors and shine a light on our mission of transforming lives. We also have opportunities at our NPFY Homebase to showcase our matches—whether it's our popular year-end holiday party filled with gifts, our back-to-school backpack distribution, or our spring graduation ceremonies—our youth are the stars of the show.

Your partnership is what makes our work possible. By sponsoring our events, you show your company's commitment to young people—by providing them with the support, skills, and stability they need to flourish. Sponsorships help cover the underwriting costs for the event, so that we can invest more directly to serving more youth, supporting caregivers and mentors, and deepening the impact of our program. The impact you make today will last for generations to come.

We invite you to sponsor one or more of our events, and in return we will showcase your company's name and reflect your support of our community. Thank you for being a champion for New Pathways for Youth and the youth and caregivers we serve.

Sincerely,

Karen D. Johnson, Ph. D

President & CEO

“

The first time I attended, I heard a poem recited by one of the program’s youth. In that moment, I realized that **I was meant to be a mentor.**

Seasonal Sponsorship Opportunities

Our programs offer youth opportunities to enhance personal, professional, and academic skills. Each milestone, from a new school year to a first-time campus visit, is a step in their personal growth and success. We call these "**youth activations**," and your support is crucial to keep them going.

Sponsorship opportunities available between \$1,000 to \$10,000.

Graduation Ceremonies

With a **95% graduation rate**, our youth surpass their peers by 45%, often becoming the **first in their families to graduate**. We support our youth by hosting a celebration with lunch, personalized gifts, and a college and career readiness fair.

Community Outings

Community outings expand our youth's horizons, fostering bonds among mentors and mentees. **Our youth gain opportunities to learn, explore, and thrive in new environments**, creating lasting memories and broadening their perspectives.

College Tours

Our college tours introduce youth to higher education institutions, including 4-year, 2-year and trade schools. Safe transportation and guided tours, often led by former program alumni, provide life-changing experiences. Youth and mentors meet counselors who offer essential resources, **inspiring them to pursue higher education**.

Backpack Drive

Following graduation in May, we immediately start collecting supplies to provide for our youth in July and August before school starts. **We gather all the basics like pencils, notebooks, and binders, but we also make sure to include personal hygiene items and dental supplies.**

Holiday Drive

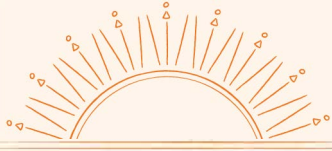

Starting in August, we prepare for our annual holiday drive, **gathering gifts like board games, headphones, and warm clothing for over 100 youth**. In December, we distribute these gifts and essentials during our holiday celebration, bringing together youth, mentors, and families as a community. We also **provide food boxes to families**, ensuring everyone has support during the holiday season.
